A special place to call home

When you're looking for a place to call home, moving up shouldn't have to mean moving on, which is why Linton Manor View prioritises those who already have a local connection. With 19 lovely homes available, 11 through shared ownership, there's a variety of low maintenance modern homes to suit all needs, including two and three-bedroom bungalows, two and three-bedroom houses, and one spacious three-bedroom detached home.

“ This is your chance to own a home in the community you love. ”

A location with a lifestyle built in

A good home shouldn't be a compromise, and Linton Manor View is well placed with easy access to the A19. York is close by with easy travel to Thirsk, and the A1(M).

There's shopping at Clifton Moor and countryside to explore on your doorstep, which means you can feel connected to the modern world and the natural world in the same location.

Getting on the property ladder needn't be a step too far

With 11 of our 19 homes available through shared ownership, buying equity in a home is achievable.

Find the way that's right for you, with a full list of options in the leaflet included in this pack.

Some of the options include:

- buying a share of your home and paying rent on the rest
- increasing your share over time until you own up to 80% of the property (staircasing)
- getting started with a smaller deposit and lower mortgage payments*

*See the information sheet inside this pack for more information. If you're looking for level-access living, our bungalows offer the perfect opportunity to downsize without leaving your community – freeing up homes for growing families while giving you a comfortable, modern home to enjoy.
